Activity 2: Create a multimedia presentation or video to promote your “Worthing Pier for the future” design.

To promote the Young Roots Worthing Pier Project we invite school pupils in the borough of Worthing to use their creativity to create a short multimedia presentation or digital video to illustrate how Worthing Pier can be improved to meet the needs of local people and visitors.

All videos submitted to Worthing Youth Council (WYC) will be published on the project website and shown to the public in The Pavilion Theatre on the 15th July 2015.
